

Otsuka Pakistan proudly participated in the 3rd PNDS International Conference 2025, a premier platform that brought together leading nutrition experts and healthcare professionals from across Pakistan.

Our participation reaffirmed Otsuka's unwavering commitment to advancing clinical nutrition by bringing specialized nutritional solutions designed to address patients' unmet nutritional needs, with a focus on evidence-based and patient-centered care.

We sincerely thank all the professionals who visited our booth and engaged in meaningful discussions on improving patient outcomes through science-driven nutrition.

Together, we continue to nurture health through innovation.
