

Nutrition Month Celebration by Otsuka Pakistan Limited

Otsuka Pakistan Ltd. celebrated nutritional month in March 2018 in collaboration with PNDS (Pakistan Nutrition and Dietetic Society) during which nutrition awareness programs were organized nationwide. The theme of these events was “Go further with food” where the spotlight discussion revolved around “Women’s health and nutrition”. The series of these events took place in eight different destinations of Pakistan where medical professionals received free BMI screening and nutritional consultation for their families and themselves by renowned nutritionists of Pakistan.
